

Notice

Application for a natural gas-fired power plant expansion near the Village of Alix has been received

Proceeding 21527 Application 21527-A001

The Alberta Utilities Commission, the independent utilities regulator, will be considering the electric generation development application in Proceeding 21527. If you feel you may be affected by this application you can provide input to the AUC to review before it makes its decision.

Just Freehold Energy Corp. has applied to expand its existing 1,300-kilowatt natural gas-fired power plant located near the Village of Alix, under the *Hydro and Electric Energy Act*. If approved, the expansion would be comprised of two new reciprocating engines supplying an additional 3,100 kilowatts, for a total generating capability of 4,400 kilowatts. The power plant is located in the northwest quarter of Section 16, Township 39, Range 22, west of the Fourth Meridian.

Additional information about the application

For full application details visit the AUC website, log on to the eFiling System, enter the proceeding number and select go. If approved, the power plant would be connected to the Alberta Interconnected Electric System and the new natural gas-fired generators would be fully contained within a building.

Written submissions are due August 23, 2016.

If you wish to participate in this proceeding, you may be eligible for funding to support your position, which includes costs for legal representation and expert witnesses.
