Application for a 20-megawatt power plant in the Jenner area has been received

Proceeding 21873 Applications 21873-A001 and 21873-A002

The Alberta Utilities Commission, the independent utilities regulator, will be considering the power plant development applications in Proceeding 21873. If you feel you may be affected by these applications you can provide input to the AUC to review before it makes its decision.

NAT-3 GP Inc. has applied to construct and operate a 20-megawatt power plant, under the *Hydro and Electric Energy Act*. The power plant would consist of 10 two-megawatt natural gas-fuelled generators and would be located in the northeast quarter of Section 19, Township 20, Range 8, west of the Fourth Meridian. NAT-3 GP Inc. also requested approval to connect the power plant to the Alberta Interconnected Electric System via FortisAlberta Inc.'s distribution network.
