

Revised notice

An application for a natural gas-fired power plant north of Hardisty has been received

Application No. 1610987
Proceeding No. 3515

The Alberta Utilities Commission, the independent utilities regulator, will be considering the application for a two-megawatt natural gas-fired power plant in Proceeding 3515. If you feel that you may be affected by this application, you can provide input to the AUC to review before it makes its decision.

TERIC Power Ltd. has applied to construct and operate a two-megawatt natural gas-fired power plant, under the *Hydro and Electric Energy Act*. The power plant would consist of one induction generating unit and would be located in LSD 4, Section 5, Township 44, Range 9, west of the Fourth Meridian, north of Hardisty, Alberta.

Written submissions are due January 9, 2015.

If you wish to participate in this proceeding, you may be eligible for funding to support your position, which includes costs for legal representation and expert witnesses. To learn more about the application and review process, intervener funding and what has been applied for, please review the virtual information session on our website found under Involving Albertans or contact: Annie Chen at 403-592-4465 or email your questions to annie.chen@auc.ab.ca.

The application, and any associated documents being reviewed, are publicly available on our website. Alternatively, you may contact TERIC Power Ltd.'s representative, Craig Barnes, at 403-660-5236 for further details about what is being applied for, or for a copy of the application.

To register your concerns, or support for the proposed project, please visit the AUC website and log in to the electronic filing system to file your submission for Proceeding 3515. If you do not have access to the Internet, please contact us at 780-427-4903 for other options to submit your concerns and participate in this proceeding. If no written submissions are received, the Commission may make its decision without further notice or process.

To support an open and transparent process, information you send to the AUC will be publicly available to anyone registered in this proceeding. If there is confidential information you would like to file, a request must be made in advance of filing your submission.

Additional information about the application

For full application details visit the AUC website, go to the E-Filing section, select Proceeding Search and enter 3515.

For further details about the application, please contact the applicant:

Submissions

If you have concerns about the proposed project and would like the AUC to consider your concerns before making a decision on the application, please file your initial submission before January 9, 2015.

The electronic filing system tool found on our website manages applications and submissions through a proceeding-based review. This system gives you real-time access to the documents associated with the proceeding.

Those who do not have access to the Internet can send a submission by mail or fax, and the AUC will upload the submission on your behalf. Please send your name, address, phone number, legal land location, description of your land in relation to the proposed development and describe your interest in the land, your business, or your activities which may be affected. Please briefly describe the issues you would like the AUC to consider when making its decision. This information can be sent by letter or by using our [statement of intent to participate form](#). Please submit the completed statement of intent to participate form to info@auc.ab.ca.

Participant information

Please review the information session section on our website found under Involving Albertans. You may also contact our Consumer Relations group at 780-427-4903 or by email at consumer-relations@auc.ab.ca for more information about your opportunities for involvement, assistance with your submission, and the funding options which may be available to you under Rule 009: *Rules on Local Intervener Funding*.

Privacy

Any information and materials you provide as part of an AUC proceeding, except information granted confidentiality in advance, will become part of the public record and will be available through the AUC's electronic filing system. This includes personal information such as your name, address and any other personal information you provide.

Issued on November 28, 2014.

Alberta Utilities Commission

Douglas A. Larder, QC, General Counsel
