Dear Mr. Margolick:

This letter is in response to your recent correspondence with Kate Haines, Project Assessment Manager, (emails dating May 9, 2016) regarding the Environmental Assessment (EA) of Mount Kathleen Wind Park (Project).

I very much appreciate receiving the update on the status of the Project. In your email you indicated that Northland Power Inc. does not plan to proceed with the EA of the Project. Please be advised that EAO considers your email as confirmation of your intention to withdraw the Project from the EA.

The EAO will post this letter on its electronic Project Information Centre website at www.eao.gov.bc.ca. If you have any questions or require further information, please contact me by telephone at 250-387-2402 or by email at Monica.Perry@gov.bc.ca.

Yours truly,

A handwritten signature in black ink, appearing to read "Monica Perry". The signature is fluid and cursive, with a long, sweeping tail that extends downwards and to the right.

Monica Perry
Executive Project Director

cc: Kate Haines, Project Assessment Manager, Environmental Assessment Office
