Dear Mr. Margolick:

This letter is in response to your recent correspondence with Kate Haines, Project Assessment Manager, (emails dated May 5, 2016, and your letter dated May 6, 2016) regarding the Environmental Assessment (EA) of Mount George Wind Park (Project).

I very much appreciate receiving the update on the status of the Project. In your letter you indicated that Northland Power Inc. does not plan to proceed with the EA of the Project. Please be advised that EAO considers your letter as confirmation of your intention to withdraw the Project from the EA.

The EAO will post this letter on its electronic Project Information Centre website at [www.eao.gov.bc.ca](http://www.eao.gov.bc.ca). If you have any questions or require further information, please contact me by telephone at 250-387-2402 or by email at [Monica.Perry@gov.bc.ca](mailto:Monica.Perry@gov.bc.ca).

Yours truly,

A handwritten signature in black ink, appearing to read "Monica Perry". The signature is fluid and cursive, with a long, sweeping tail on the final letter.
