Dear Secretary Burgess:

Enclosed for filing on behalf of Caithness Long Island II, LLC (Caithness) please find a Petition for an Order: (1) granting Caithness a Certificate of Public Convenience and Necessity pursuant to Section 68 of the Public Service Law and 16 NYCRR Part 21 to develop, operate and own a proposed 752 MW combined cycle generating facility in Yaphank in the Town of Brookhaven, Suffolk County, New York; and (2) providing that Caithness will be regulated under a lightened regulatory regime consistent with the Commission's orders providing for lightened regulation for competitive wholesale generators.

A copy of the petition is being mailed to each party on the attached service list, which corresponds with the distribution list recently used by the Town Board of the Town of Brookhaven when it issued lead agency findings pursuant to the State Environmental Quality Review Act.

Respectfully yours,
