Austin, Texas 78711-3326

Submit 7 copies of the form (not the instructions), including the original.

The Commission staff shall review the submitted form for completeness. Within 15 business days of receipt of an incomplete form, Commission staff shall notify the registering party in writing of the deficiencies in the request. The registering party shall have ten business days from the issuance of the notification to cure the deficiencies. If the deficiencies are not cured within ten business days, staff will notify the registering party that the registration request is rejected without prejudice.

The registering party may designate answers or documents that it believes to contain proprietary or confidential information. Information designated as proprietary or confidential will be treated in accordance with the standard protective order issued by the Commission applicable to registration information for PGCs and self-generators.

Self-Generators must complete Parts A, B, D and E of this form.

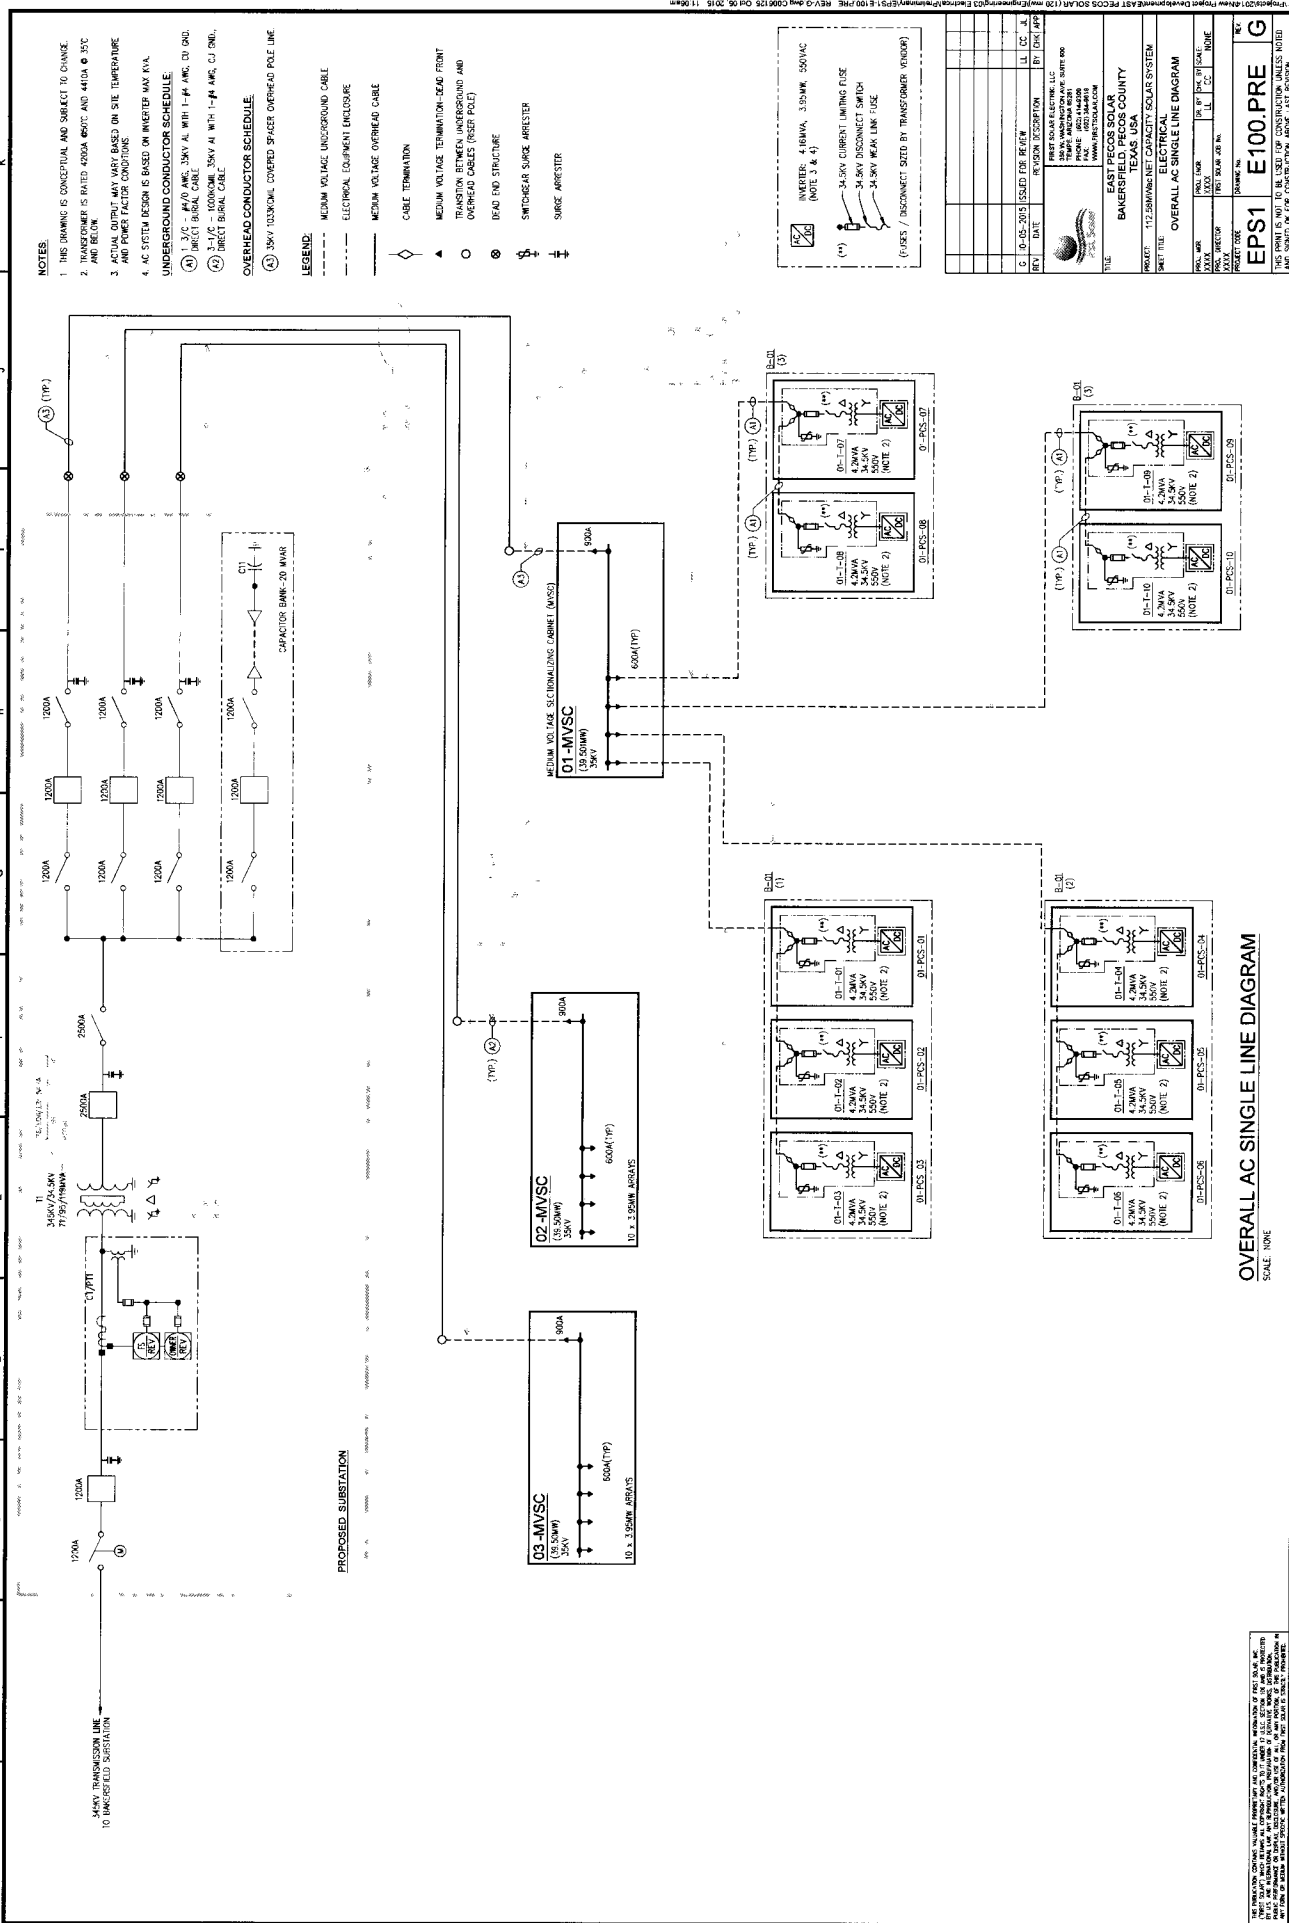

Power Generation Companies must complete Parts A, C, D and E of this form.

PART A –TYPE OF REGISTRATION

1. Type of Registration. Check the appropriate box on the form to indicate the type of registration or amendment.

2. Amendments to Self-Generator or Power Generation Company Registration. Any change to a registration, other than information specified in the *Updates to Company Contact Information* section of these instructions, requires a staff review to make sure that registration requirements are still maintained. The registration form must be used, and a unique project number will be assigned upon filing. To update contact information, registered generators can use the PUCTX Portal Company Contacts Application at <https://www.puc.texas.gov/portal/>.

To amend an approved registration, the registered party (Applicant) must file the registration form and the
