Docket No. CP13-193-000

NOTICE OF REVISED SCHEDULE FOR ENVIRONMENTAL REVIEW
OF THE AGUIRRE OFFSHORE GASPORT PROJECT

(December 12, 2014)

This notice identifies the Federal Energy Regulatory Commission staff's revised schedule for the completion of the final environmental impact statement (EIS) for Aguirre Offshore GasPort, LLC's (Aguirre LLC), Aguirre Offshore GasPort Project. The original notice of schedule, issued on May 2, 2014, identified December 19, 2014 as the final EIS issuance date. On December 3, 2014, Commission staff received additional information from Aguirre LLC regarding the proposed subsea pipeline, and Aguirre LLC will file forthcoming information in response to a staff data request. Review of this information and incorporation into the final EIS requires a revised schedule for issuance of the final EIS.

Schedule for Environmental Review

Issuance of Notice of Availability of the final EIS
90-day Federal Authorization Decision Deadline

February 20, 2015
May 21, 2015

If a schedule change becomes necessary, an additional notice will be provided so that the relevant agencies are kept informed of the project's progress.

Additional Information

In order to receive notification of the issuance of the final EIS and to keep track of all formal issuances and submittals in specific dockets, the Commission offers a free service called eSubscription (<http://www.ferc.gov/docs-filing/esubscription.asp>). Additional information about the project may be obtained by contacting the Environmental Project Manager, Gertrude Johnson, by telephone at 202-502-6692 or by electronic mail at gertrude.fernandez.johnson@ferc.gov.
