Attention: James A. Cuillier  
Director, FERC Rates & Regulation

Reference: Large Generator Interconnection Agreement

Dear Mr. Cuillier:

On December 23, 2014, Southern California Edison Company (SoCal Edison) submitted for filing a Large Generator Interconnection Agreement (LGIA) between itself, North Rosamond Solar, LLC (North Rosamond), and the California Independent System Operator Corporation (CAISO) under SoCal Edison's Transmission Owner Tariff. The LGIA specifies the terms and conditions pursuant to which: (1) SoCal Edison and CAISO will provide interconnection service; (2) SoCal Edison will design, procure, construct, own, operate, and maintain the interconnection facilities and network upgrades required to interconnect North Rosamond's 153 MW solar photovoltaic North Rosamond Solar generating facility to SoCal Edison's 220 kV bus at the Whirlwind Substation and transmit energy to the CAISO controlled grid; and (3) pursuant to which North Rosamond will pay SoCal Edison for such facilities. Waiver of the Commission's notice requirements pursuant to section 35.11 of the Commission's rules and regulations (18 C.F.R. § 35.11) is granted,<sup>1</sup> and the LGIA is accepted for filing, effective December 24,

2014, as requested.<sup>2</sup>

The filing was noticed on December 23, 2014, with comments, protests, or interventions due on or before January 13, 2015. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification or any rule, regulation or practice affecting such rate or service contained in your filed documents; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or any which may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against SoCal Edison.

This action is taken pursuant to the authority delegated to the Director, Division of Electric Power Regulation - West under 18 C.F.R. § 375.307. This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Steve P. Rodgers, Director  
Division of Electric Power  
Regulation – West
