Reference: Notice of Change in Status

Dear Mr. Eisenstat:

On October 31, 2012, you filed on behalf of CPV Sentinel, LLC (CPV) a notice of change in status stating that on August 16, 2012, Southeast PowerGen, LLC, an affiliate of CPV, acquired 100 percent of the membership interests in Mid-Georgia Cogen L.P. (Mid-Georgia), which owns a 323 megawatt (MW) generating facility (the Mid-Georgia facility) interconnected to the Georgia Power Company transmission system and located in the Southern Company Services, Inc. balancing authority area. In addition, you state that Mariposa Energy, LLC (Mariposa), another affiliate of CPV, is developing a 200 MW natural gas-fired generation facility (the Mariposa Facility) located in the California Independent System Operator Corp. market, which was authorized to sell power under market based rates on February 29, 2012. You state that all of the output from the Mid-Georgia facility and from the Mariposa Facility is fully committed under long-term power purchase agreements. You state that CPV's affiliation with Mid-Georgia and Mariposa does not affect the conditions the Commission relied upon when granting CPV market-based rate authority.¹

Your filing was noticed on November 2, 2012, with comments, protests or interventions due on or before November 21, 2012. None was filed.

¹ Applicant is reminded that it must submit required filings on a timely basis, or face possible sanctions by the Commission.

Pursuant to the authority delegated to the Director, Division of Electric Power Regulation - West, under 18 C.F.R. § 375.307, and based on your representations, the notice of change in status is accepted for filing.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, or practice affecting such rate or service provided for in the filed documents; nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such acceptance is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against any of the applicant(s).

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Questions regarding the above order should be directed to:
