**Withdrawal of Application for Preliminary Permit for Pump Hydroelectric Storage Project**

Dear Secretary Bose:

On April 26, 2016 we submitted a Preliminary Permit Application for a Pump Hydroelectric Storage Project for Indian Blanket Water LLC, pursuant to 18 CFR §§ 4.32 and 4.81 of the Federal Energy Regulatory Commission and was issued a project number: P-14778-000.

While undertaking activities and working with key stakeholders to determine the viability and feasibility of the proposed energy storage project, it was determined that the proposed site fell within a Wilderness Area.

Due to the fact that the proposed site falls within a Wilderness Area, we are formally withdrawing our Application for P-14778-00 for a Preliminary Permit for a Pump Hydroelectric Storage Project.

If you have any questions regarding this withdrawal submittal, please contact Fred Brown at (972) 239-0707 or email address [fbrown@tomlininvestments.com](mailto:fbrown@tomlininvestments.com).

Sincerely,

Fred Brown
