Re: SP-8125 Sub 0, Filing for a CPCN and Registering a New Renewable Energy Facility

Dear Chief Clerk and Staff,

On behalf of Little Mountain Solar, LLC under the aforementioned docket, we wish to file for a CPCN and also to Register a New Renewable Energy Facility.

The facility location will be: off of Little Mountain Road, approximately 0.4 miles east of the intersection of Little Mountain Road and Hwy U.S. 21, in Jonesville, Yadkin County, North Carolina.

The text-searchable PDF documents we submit today include:

- the Application for a Certificate of Public Convenience and Necessity pursuant to Rule R8-64, including one "Map and Layout" and one "Site Verification" document for this proposed 5 MW ac solar farm
- the Application to Register a Renewable Energy Facility or New Renewable Energy Facility pursuant to Rule R8-66, also including one "Map and Layout", for the same.

We are submitting an Interconnection Request for this project to Duke Energy Carolinas.

Please contact us to advise us if you require any additional information or any clarification to the documents as submitted.

Thank you.

Best wishes,

Veronika Gunter
