Re: Midcontinent Independent System Operator, Inc.
FERC Docket No. ER16-____-000
Filing of Generator Interconnection Agreement
PUBLIC VERSION

Dear Secretary Bose:

Pursuant to Section 205 of the Federal Power Act (“FPA”), 16 U.S.C. § 824d, and Section 35.12 of the Federal Energy Regulatory Commission’s (“FERC” or “Commission”) regulations, 18 C.F.R. § 35.12 (2016), the Midcontinent Independent System Operator, Inc. (“MISO”) hereby respectfully submits a Generator Interconnection Agreement (“Interconnection Agreement”) among **Michigan Wind 3, LLC**, a limited liability company organized and existing under the laws of the State of Delaware (“Interconnection Customer” with a Generating Facility), **International Transmission Company, dba ITCTransmission**, a corporation organized and existing under the laws of the State of Michigan (“Transmission Owner”) and **MISO** (“Transmission Provider”). MISO has designated the Interconnection Agreement as Original Service Agreement No. 2933 under MISO’s FERC Electric Tariff, Vol. No. 1 Fifth Revised (“Tariff”). MISO has designated this project as Project No. J321 in its interconnection queue. A non-public version of the Interconnection Agreement containing pages designated as Critical Energy Infrastructure Information (“CEII”) is being provided under separate cover as explained below.

I. OVERVIEW OF FILING

The body of the attached Interconnection Agreement conforms to the *pro forma* Generator Interconnection Agreement (“*pro forma* GIA”) and contains pending language filed with the Commission in Docket No. ER16-696-000 on January 8, 2016. Accordingly, MISO asks that the Commission accept the Interconnection Agreement subject to the outcome in Docket No. ER16-696 *et al.*

II. DOCUMENTS SUBMITTED IN THIS FILING

The documents being submitted with this filing include this transmittal letter and a public and non-public version of the Interconnection Agreement in accordance with the parties' designation of the diagrams contained in this filing as CEII under the Commission's rules, 18 C.F.R. §§ 388.112 & 388.113 (2016). Pursuant to the Commission's Notice Announcing New Combined Notice of Filings, issued on May 13, 2005, and the Commission's subsequent listing on its website, no form of notice is required under 18 C.F.R. § 35.8 (2016).¹ The Parties have designated diagrams of their interconnection in Exhibits A2, A3 and A4 as CEII.

MISO hereby requests confidential treatment of the CEII contained in Exhibits A2, A3 and A4 of the non-public version of the Interconnection Agreement enclosed pursuant to 18 C.F.R. § 388.12. The CEII has been marked according to the Commission's instructions.

The Parties assert that Exhibits A2, A3 and A4 qualify as CEII pursuant to 18 C.F.R. § 388.113(c)(1) for the following reasons: the diagrams attached to the Interconnection Agreement are system maps that provide specific detailed design information about existing critical transmission system infrastructure. The Exhibits are exempt from mandatory disclosure under the Freedom of Information Act, 5 U.S.C. § 552. Members of the public can obtain access to the Exhibits by complying with the Commission's procedures per 18 C.F.R. § 388.113.

Accordingly, MISO requests confidential treatment of the non-public version of this filing as CEII pursuant to 18 C.F.R. § 388.12. MISO submits a non-public version of this agreement under separate cover.

The documents being submitted with this filing include this transmittal letter;

Tab A: Clean copy of the Interconnection Agreement;

Tab B: Redlined copy of the Interconnection Agreement reflecting changes as compared to the *Pro Forma*²; and

Tab C: CEII Protective Agreement.

III. PROPOSED EFFECTIVE DATE

MISO respectfully requests that the Commission waive its sixty (60) day notice requirement as required by Section 35.3(a) of the Commission's regulations, 18 C.F.R. § 35.3(a), and make this Interconnection Agreement effective as of August 9, 2016.³ The Parties have indicated their intention for and support of an effective date of August 9, 2016. MISO requests that the August 9, 2016, date be used to provide certainty to the Parties as to the status of the agreement. To the extent that the Commission determines that any requirements of 18 C.F.R. § 35 apply that have not been specifically addressed herein, the MISO respectfully requests waiver of such requirements.
