VIA ELECTRONIC FILING

The Honorable Kimberly D. Bose, Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, D.C. 20426-0001

**Re: PJM Interconnection, L.L.C. Docket No. ER15-_____ -000
Service Agreement No. 3257; Queue No. W4-097**

Dear Secretary Bose:

Pursuant to section 205 of the Federal Power Act (“FPA”),¹ and part 35 of the regulations of the Federal Energy Regulatory Commission (“Commission” or “FERC”),² PJM Interconnection, L.L.C. (“PJM”) submits for filing an executed Wholesale Market Participation Agreement (“WMPA” or “Agreement”) entered into among PJM, Marina Energy, LLC (“Wholesale Market Participant” or “Marina Energy”) and Jersey Central Power & Light Company (“Transmission Owner” or “JCPL”), executed on October 28, 2014 (“Marina Energy WMPA”). PJM is submitting this WMPA for filing because Marina Energy intends to engage in wholesale sales in the PJM markets from a generating facility connected to JCPL’s distribution facilities. PJM requests an effective date of October 28, 2014 for this WMPA.

¹ 16 U.S.C. § 824d (2006).

² 18 C.F.R. Part 35 (2013).

The Marina Energy WMPA is designated as Service Agreement No. 3257³, and it supersedes Original Service Agreement No. 3257, entered into among PJM, Garden Solar, LLC and JCPL. The former Wholesale Market Participant, Garden Solar, LLC, assigned its project to Marina Energy. The Marina Energy WMPA is substantively the same as it was submitted to the Commission in Docket No. ER12-1253-000,⁴ except that, in accordance with the assignment of the project from Garden Solar, LLC, to Marina Energy, the Marina energy WMPA reflects the Parties agreement to: revise notice information in section 2.0; remove “a FirstEnergy Company” in reference to JCPL; correct typographical errors in sections 1.0, 2.5 and 3.1.2; revise a milestone in section 3.1.4; include suspension provisions in section 3.1 of the WMPA; and include a sentence at the beginning of the WMPA explaining that this WMPA supersedes the original WMPA among PJM, Garden Solar, LLC and JCPL, designated as Original Service Agreement No. 3257. The Marina Energy WMPA will facilitate Marina Energy’s intent to engage in jurisdictional wholesale transactions in the PJM markets, which will originate over the JCPL’s non-jurisdictional distribution facilities.

I. Waiver and Effective Date

PJM requests that the Commission grant any and all waivers of the Commission’s rules and regulations necessary for acceptance of this filing and the enclosed WMPA. Additionally, PJM requests a waiver of the Commission’s 60-day prior notice requirement to allow an effective date of October 28, 2014, for the Marina Energy WMPA, as set forth in § 1.1 thereof. Waiver is appropriate because the WMPA is being filed within thirty (30) days of its requested

³ Because the Marina Energy WMPA being electronically filed with this transmittal letter contains electronic signatures and not the original signatures of the parties, a copy of the sheet(s) containing the original signatures is included as Attachment C to this transmittal letter.
