

January 27, 2016

The Honorable Kimberly D. Bose
Secretary
Federal Energy Regulatory Commission
888 First Street, N.E.
Washington, DC 20426

RE: *PacifiCorp*
Docket No. ER16-_____-000

Dear Secretary Bose:

Pursuant to Section 205 of the Federal Power Act, 16 U.S.C. § 824d (2006), Part 35 of the Federal Energy Regulatory Commission's ("Commission") regulations, 18 C.F.R. Part 35 (2016), and Order No. 714¹ regarding electronic filing of tariff submittals, PacifiCorp hereby tenders for filing the following jurisdictional agreement:

Engineering and Procurement Agreement ("E&P Agreement"), between Pavant Solar III, LLC ("Pavant Solar") and PacifiCorp, executed January 21, 2016, to be designated as PacifiCorp Service Agreement No. 823 under PacifiCorp's Volume No. 11 Open Access Transmission Tariff ("OATT").

1. Background and Reason for Filing

Pavant Solar has requested an interconnection with PacifiCorp's transmission system. In order for Pavant Solar to obtain interconnection service, it will be necessary for PacifiCorp to construct certain facilities. To advance implementation of the project, Pavant Solar requests that PacifiCorp begin certain activities related to the project prior to the execution of a Small Generator Interconnection Agreement ("SGIA"). During the period prior to the execution of the SGIA, the parties have entered into the E&P Agreement, dated January 21, 2016. This agreement provides the terms and conditions under which PacifiCorp is authorized to design, engineer, and procure items necessary to advance the implementation of the interconnection. PacifiCorp respectfully requests the Commission accept the E&P Agreement, attached hereto, for filing.

2. Effective Date and Request for Waiver

The E&P Agreement is being filed within 30 days of service commencing. Therefore, in accordance with 18 C.F.R. § 35.3(a)(2), PacifiCorp requests an effective date of January 21, 2016 for the E&P Agreement.

¹ *Electronic Tariff Filings*, Order No. 714, 124 FERC ¶ 61,270 (2008).

To the extent that any filing requirement in Part 35 of the Commission's regulations is not satisfied by this filing and the materials enclosed herewith, PacifiCorp respectfully requests waiver of such requirements.

3. Designation

PacifiCorp requests that the E&P Agreement be designated as PacifiCorp Service Agreement No. 823.

4. Enclosure

The following enclosure is attached hereto:

Enclosure E&P Agreement between Pavant Solar and PacifiCorp, to be designated as PacifiCorp Service Agreement No. 823

5. Communications

All communications and correspondence regarding this filing should be forwarded to the following persons:
