**Re: Weyerhaeuser NR Company, Docket No. ER09-185-\_\_\_\_**  
**Notice of Cancellation**

Dear Secretary Bose:

The following notice of cancellation is being submitted on behalf of Weyerhaeuser NR Company (“Weyerhaeuser NR”).

Weyerhaeuser NR seeks to cancel its market-based rate tariff originally accepted in Docket No. ER09-185-000<sup>1</sup> and its tariff ID. Weyerhaeuser NR has sold the qualifying cogeneration and small power production facilities from which it could sell energy and capacity and is no longer conducting activity under its market-based tariff.

The closing date for the final transaction in which Weyerhaeuser NR sold qualifying cogeneration or small power production facilities was December 1, 2016. Weyerhaeuser NR has no active contracts for sales under its market-based tariff and this cancellation affects no purchasers. Therefore, good cause exists for granting waiver of the notice requirements in the Commission’s regulations at 18 C.F.R. § 35.15, and Weyerhaeuser NR requests that the cancellation be effective December 30, 2016.

At this time, circumstances make it impossible for Weyerhaeuser NR to cancel its tariff ID through the eTariff system. Weyerhaeuser NR requests that its tariff ID be administratively cancelled.

---

<sup>1</sup> Weyerhaeuser NR was granted market-based rate authority by letter order dated December 30, 2008, in Docket Nos. ER09-185-000 and ER09-185-001.
