

Public Notice of an Air Pollution Permit Application Review

Facility Description.

Wisconsin Electric Power Company D/B/A We Energies-Port Washington, located at 146 S. Wisconsin St., Port Washington, Ozaukee County, Wisconsin, FID 246004000, submitted to the Department of Natural Resources (DNR) a permit application, including plans and specifications for modification of four existing natural gas combined cycle turbines and at an existing electrical generation facility.

Air pollution construction permit no. 15-RSG-102 and air pollution operation permit no. 246004000-P21.

Application Review.

DNR has made a preliminary determination that the application meets state and federal air pollution control requirements and that the permit should be approved. You can review the permit application, the DNR's analysis and draft permit prepared by the DNR at the Department of Natural Resources Bureau of Air Management Headquarters, Seventh Floor, 101 South Webster Street, Madison, Wisconsin, 53703; Southeast Region Air Program, Plymouth Service Center, 1155 Pilgrim Road, Plymouth, WI 53073, tel. (920) 893-8526 or contact Steven Dunn at (608) 267-0566 or by e-mail at steven.dunn@wisconsin.gov. This information is also available for downloading from the Internet at <http://dnr.wi.gov/topic/AirPermits/Search.html>.

The department has made the determination under ch. NR 150, Wis. Adm. Code, that this type of proposal normally does not have the potential to cause significant adverse environmental or secondary effects.

This is a preliminary determination and does not constitute a final approval from the Air Management Program or any other DNR sections which may also require a review of the project.

Public Comments.

Interested persons wishing to submit written comments on the application or DNR's review of it or wishing to request a public hearing should do so within 30 days of publication of this notice. Posting and Public Comment Deadline dates can also be found on "Air permit public notices" web page located at http://dnr.wi.gov/cias/am/amexternal/public_notices.aspx. Comments or request for hearing should be sent to:

Wisconsin Department of Natural Resources, Bureau of Air Management, 101 S. Webster Street, Box 7921, Madison, WI 53707-7921. Attn.: Steven Dunn.

Reasonable accommodation, including the provision of informational material in an alternative format, will be provided for qualified individuals with disabilities upon request.

For part 70 sources, the revised operation permit will not be issued until the United States Environmental Protection Agency (US EPA) has an opportunity for review. After all comments received during the public comment period have been considered, a proposed revised operation permit will be drafted and sent to the US EPA for review. DNR will post the start date of the US EPA review on the Internet at <http://dnr.wi.gov/air/permits/permitsearch.html>. Any person may petition the US EPA under 40 CFR Part 70.8(d) within 60 days after the expiration of US EPA's 45-day review period to make an objection to the operation permit revision. DNR will post the deadline for this petition on the Internet at the above address. Unless the US EPA objects in writing to the issuance of the operation permit revision as proposed within US EPA's 45-day review period, DNR will issue the final operation permit revision as proposed.
