Public Notice: Pacificorp, Naughton Power Plant - Lincoln County

In accordance with Chapter 6, Section 2(m) of the Wyoming Air Quality Standards and Regulations, notice is hereby given that the State of Wyoming, Department of Environmental Quality, Division of Air Quality, proposes to approve a request by Pacificorp to modify monitoring, recordkeeping, and reporting (MRR) conditions that apply to Unit 3 at the Naughton Power Plant for best available retrofit technology (BART). Pacificorp also requested that the Division revise the dates for the end of coal firing and the start of natural gas firing for Unit 3 to align with the requirements of the Wyoming Regional Haze State Implementation Plan (SIP).

For the duration of the public comment period, copies of the permit application, the agency's analysis, and the public notice are available for public inspection online at <http://deq.wyoming.gov/aqd/new-source-review/resources/applications-on-notice/> and at the Lincoln County Clerk's Office, Kemmerer, Wyoming. In accordance with the Americans with Disabilities Act, special assistance or alternate formats will be made available upon request for individuals with disabilities.

Written comments may be directed to Nancy Vehr, Administrator, Division of Air Quality, Department of Environmental Quality, 200 West 17th St., Cheyenne, Wyoming 82002 or by fax (307) 635-1784. Please reference A0002380 in your comment. Comments submitted by email will not be included in the administrative record. All comments received by 5:00 p.m., Monday, January 16, 2017 will be considered in the final determination on this application. A public hearing will be conducted only if in the opinion of the administrator sufficient interest is generated or if an aggrieved party so requests.
