Record No. _____

**RE: IN THE MATTER OF THE APPLICATION OF ROCKY MOUNTAIN POWER
FOR SITUS & NONSITUS CERTIFICATES OF PUBLIC CONVENIENCE AND
NECESSITY FOR THE GATEWAY SOUTH TRANSMISSION PROJECT AND THE
GATEWAY WEST SEGMENT D.1 TRANSMISSION PROJECT**

Dear Mr. Petrie:

Please find enclosed for filing Rocky Mountain Power's (the "Company") application for situs and non-situs certificates of public convenience and necessity for the Gateway South and Gateway West Segment D.1 transmission projects.

The application, supporting exhibits, and work papers are mostly being provided in electronic format only on the Docket Management System or on CD as allowed by the Wyoming Public Service Commission's ("Commission") Order issued on March 19, 2020, which temporarily suspended the requirement to file paper copies due to the on-going public health emergency. However, one hardcopy of the public version of the filing is being provided to the Commission to allow for public viewing.

For your convenience, the Company has also included a draft Notice of Application, a Petition for Confidential Treatment and Protective Order, and a proposed Procedural Schedule within the application. Provided on the enclosed CDs are the non-confidential and confidential testimony and exhibits, and workpapers. Enclosed is the Company's filing fee check in the amount of \$15.00.

It is respectfully requested that all formal correspondence and staff requests regarding this matter be addressed to:
