Re: OPSB Case No. 20-1762-EL-BGN
Pre-Application Notification Letter
Sycamore Creek Solar, LLC

Dear Ms. Troupe:

Pursuant to Ohio Adm.Code 4906-3-03(A), Sycamore Creek Solar, LLC (“Sycamore Creek Solar” or the “Applicant”), a subsidiary of National Grid Renewables, files this Pre-Application Notification Letter regarding its proposed up to 117 MW solar powered electric generating facility in Cranberry Township, Crawford County, Ohio (the “Sycamore Creek Solar Project”) with the Ohio Power Siting Board.

The proposed Sycamore Creek Solar Project will be located on approximately 985 acres of land adjacent to the southwestern perimeter of the village of New Washington. The purpose of the Sycamore Creek Solar Project will be to maximize energy production from solar resources to deliver clean, renewable electricity to the regional transmission system to serve the needs of electric utilities and their customers. Construction of the facility is scheduled to commence as early as the fourth quarter of 2021. The Sycamore Creek Solar Project is scheduled to be in service by the end of 2022.

A web-based virtual public information meeting regarding the Sycamore Creek Solar Project is scheduled to be held beginning at 6:00 p.m. on January 26, 2021. The web-based virtual public information meeting can be accessed via the Sycamore Creek Solar Project website at <https://nationalgridrenewables.com/sycamore-creek/> which will include registration information prior to the event. Following the web-based virtual public meeting, beginning at 8 p.m., Sycamore Creek Solar will host a phone-based public information meeting. Information regarding the public information meeting will also be available at the Sycamore Creek Solar Project website.

The Applicant has requested, and been granted, on December 21, 2020, a waiver from Ohio Adm.Code 4906-3-03(B) regarding the requirement to conduct a public information meeting in the area in which the project will be located. At this time, the Applicant does not anticipate requesting any additional waivers.

Please contact me at 614-464-5462 or Lindsey Hesch, Senior Permitting Specialist, National Grid Renewables at lhesch@nationalgridrenewables.com or 984-960-8099 with any questions.

Very truly yours,
